JAYAMUKHI Institute of Technological Sciences

strives to prepare the students to face future challenges courageously and to stand exemplary in the society with professional readiness. All the technology departments on one hand impart world class education with hands on training and provide full-fledged training to become industry fit and meet the economy need. The faculty helps students to scale up to achieve greater heights. A strong students' support system is evolved over the years such as constant counselling, digital library, training and placement cell, finishing school, English language lab and entrepreneurship development cell. SPDPC is one such support that Jayamukhi is extending to the students.

JITS has been enlightening all the professional students about the need to be responsive to the societal issues by molding their technical and social skills to the benefit of the community leading to high productivity, inclusivity and in achieving quality of life. In this direction, the Institution has been arranging expert lectures by Sri Yandamuri Veerendranath, Sri M.V. Pattabhiram, and Sri Gampa Nageswara Rao on Motivation and Personality development since past ten years. The present SPDP is a strategy of concentrating on the target group (SC/ST students) for attaining the set objectives.

Skill and Personality Development Program Center (SPDPC)

Is a sponsored program by the AICTE, New Delhi to support the SC/ST students of this Institute to become the responsible citizens and make them socially relevant and economically strong to compete with any other developed sections of the society. The Center helps them to imbibe the three imperatives viz., Skills, all-round development of Personality, effective communication and language proficiency. Students are provided a forum for group discussion, idea-sharing, writing, speaking and listening to acquire the imperatives.

Objectives of the SPDPC Center:

Broadly the aim of the SPDPC is to scale up the professional and social skills of the students and to prepare them to be the responsible citizens of India. For this purpose the Center works for the target group by:

1. Organizing coaching classes continuously with the high end electronic and digital presentations.
2. Making the students to participate in the Workshops, Debates and Reading Sessions.
3. Motivating the students to organize group discussions and role playing.
4. Inviting experts to deliver lectures on Personality Development as frequently as possible to obtain extended public life.
5. Asking the students to participate in debating competitions, skit writing and Playing.
6. Making the students to watch TED lectures.

Report of Workshop on Writing Skills – Importance

A three day workshop on “Meaning of Writing Skills “ was organized by Skill Development and Personality Development Center (SPDPC), JITS from 16th September 2019 to 18th September 2019 for B.Tech 2nd, 3rd and 4th year students at 4.00pm to 6.00pm. Sri “**Mr.B.Raju, Dept. of H & S and Prof. G.Krishnamurty, Coordinator** were present in the Workshop . In this program 64 students attended and noted the points much of their interest. **Mr.B.Raju explained the need for cogent, clear and comprehensive communication. In that context, he conducted a workshop to improve the drafting skills of the students. Prof. G.Krishnamurty, Director, Dept. of Business Management** ” has given a lot of basic information regarding Writing Skills, Styles of Writing, Impact of Wrong Drafting on the progress of their career. He also explained the need for Reading and noting Skills. In the workshop, he has tested the students’ reading skills. The Workshop was wound up by organizing a question and answer Session. Both, Mr. Raju and Prof. Murthy have convinced the students to cultivate the habit of reading of textual and on-textual material. Many feel inferiority of poor memory but they must realize that poor reading leads to weak memory. They impressed upon the participants that reading with concentrated mind is most important in remembering the material that is read. In this connection the resource persons have explained about different types of reading and conducted a Reading Session followed by helping the students to make a brief presentation of the material read by them.
