Report on one day webinar

The Department of Electronics and Communication Engineering has organized one day webinar on “**IC Fabrication Technique**” on 18th June 2020 at 10.00 am by **Dr.Ghanshyam Singh Professor of ECE will be the resource person In Jayamukhi Institute Of Technological Sciences** . To this program 30 students are attended and noted the points in their note book to much interest. In this webinar explain the fabrication process of constructing an industrial product. We can also define it as a set of methods to manufacture an electronic device or product. For example, **silicon semiconductor chips**, etc. In the case of metals, fabrication is a process used to convert the raw materials into the finished product.
