TO WHOM IT MAY CONCERN

Dr. M. Krishnasamy and Dr. Jitesh Ramdas Shinde of Jayamukhi Institute of Technological Sciences, Narsampet, Warangal and Vaagdevi College of Engineering, Warangal have visited your company as part of their Collaborative Research work **JNTUH/TEQIP-III/CRS/2019/ECE01**, entitled as **Design and Development of Vibration-based Energy Harvesting Device for wideband Low- Frequency applications** on 12 Feb 2020. In their visit, we discussed and experienced the novel idea to design an energy harvester model for low-frequency applications. Also, we explained the fabrication process of a very thin mechanical cantilever system.

A special "thank you" goes out to **S. Neelakanta Reddy, Manager (Mech.)** for doing a lot of work to prepare for the day.

Best Regards

Shi. Jayapal Reddy,
Managing Director
