JAYAMUKHI Institute of Technological Sciences

strives to prepare the students to face future challenges courageously and to stand exemplary in the society with professional readiness. All the technology departments on one hand impart world class education with hands on training and provide full-fledged training to become industry fit and meet the economy need. The faculty helps students to scale up to achieve greater heights. A strong students' support system is evolved over the years such as constant counselling, digital library, training and placement cell, finishing school, English language lab and entrepreneurship development cell. SPDPC is one such support that Jayamukhi is extending to the students.

JITS has been enlightening all the professional students about the need to be responsive to the societal issues by molding their technical and social skills to the benefit of the community leading to high productivity, inclusivity and in achieving quality of life. In this direction, the Institution has been arranging expert lectures by Sri Yandamuri Veerendranath, Sri M.V. Pattabhiram, and Sri Gampa Nageswara Rao on Motivation and Personality development since past ten years. The present SPDPC is a strategy of concentrating on the target group (SC/ST students) for attaining the set objectives.

Skill and Personality Development Program Center (SPDPC)

Is a sponsored program by the AICTE, New Delhi to support the SC/ST students of this Institute to become the responsible citizens and make them socially relevant and economically strong to compete with any other developed sections of the society. The Center helps them to imbibe the three imperatives viz., Skills, all-round development of Personality, effective communication and language proficiency. Students are provided a forum for group discussion, idea-sharing, writing, speaking and listening to acquire the imperatives.

Objectives of the SPDPC Center:

Broadly the aim of the SPDPC is to scale up the professional and social skills of the students and to prepare them to be the responsible citizens of India. For this purpose the Center works for the target group by:

1. Organizing coaching classes continuously with the high end electronic and digital presentations.
2. Making the students to participate in the Workshops, Debates and Reading Sessions.
3. Motivating the students to organize group discussions and role playing.
4. Inviting experts to deliver lectures on Personality Development as frequently as possible to obtain extended public life.
5. Asking the students to participate in debating competitions, skit writing and Playing.
6. Making the students to watch TED lectures.
