

Student Support System:

The ongoing programs of strengthening the all-round development of the Students, the College envisages a well-drawn student support system consisting of :
 (a) Students' Counseling, (b) IBM Centre of Excellence, (c) Digital library, (d) Campus wide high speed 100 Mbp Wifi system, (e) IBM & Microsoft Training and Certification, (f) Sports and Games with well maintained playing grounds, (g) Finishing School, and (h) English Language Lab with Globorina Software. As a result of these facilities and the efforts of the Students and the Faculty the Institute is Accredited by the NBA and secured Autonomous College Status from the UGC. Aside the above, the College organizes various national level students fests such as ABHIGNATHA under IEEE, TECHNOJITS under ISTE, IQUIZ under CSI.

JAYAMUKHI Institute of Technological Sciences

strives to prepare the students to face future challenges courageously and to stand exemplary in the society with professional readiness. All the technology departments on one hand impart world class education with hands on training and provide full-fledged training to become industry fit and meet the economy need. The faculty helps students to scale up to achieve greater heights. A strong students' support system is evolved over the years such as constant counselling, digital library, training and placement cell, finishing school, English language lab and entrepreneurship development cell. SPDPC is one such support that Jayamukhi is extending to the students.

JITS has been enlightening all the professional students about the need to be responsive to the societal issues by molding their technical and social skills to the benefit of the community leading to high productivity, inclusivity and in achieving quality of life. In this direction, the Institution has been arranging expert lectures by Sri Yandamuri Veerendranath, Sri M.V. Pattabhiram, and Sri Gampa Nageswara Rao on Motivation and Personality development since past ten years. The present SPDP is a strategy of concentrating on the target group (SC/ST students) for attaining the set objectives.

Skill and Personality Development Program Center (SPDPC)

Is a sponsored program by the AICTE, New Delhi to support the SC/ST students of this Institute to become the responsible citizens and make them socially relevant and economically strong to compete with any other developed sections of the society. The Center helps them to imbibe the three imperatives viz., Skills, all-round development of Personality, effective communication and language proficiency. Students are provided a forum for group discussion, idea-sharing, writing, speaking and listening to acquire the imperatives.

Objectives of the SPDP Center:

Broadly the aim of the SPDP is to scale up the professional and social skills of the students and to prepare them to be the responsible citizens of India. For this purpose the Center works for the target group by:

1. Organizing coaching classes continuously with the high end electronic and digital presentations.
2. Making the students to participate in the Workshops, Debates and Reading Sessions.
3. Motivating the students to organize group discussions and role playing.
4. Inviting experts to deliver lectures on Personality Development as frequently as possible to obtain extended public life.
5. Asking the students to participate in debating competitions, skit writing and Playing.
6. Making the students to watch TED lectures.

MINUTES OF THE MEETING OF THE STUDENTS' COORDINATION

COMMITTEE

Held on May 10, 2019

Members Present:

- | | |
|--|----------|
| 1. Prof. G. Krishna Murthy, Chief Coordinator, SDPD Program . | Chairman |
| 2. Mr. E. Ramesh, Assist. Professor, EEE Department. | Member |
| 3. Mr. G. Pandu Krishna, Assist. Professor, CSE Department. | Member |
| 4. Mr. G. Venkateswarlu, Assist Professor, Civil Engineering Department. | Member |
| 5. Mr. B. Ramesh, Assist. Professor, Civil Engineering Department. | Member |
| 6. Mr. G. Praveen Kumar, Assist. Professor, Mech. Department. | Member |
| 7. Mr. Venkanna, Assist. Professor, Mech. Department | Member |
| 8. Mr. V. Madhu Kumar, Assist. Professor, ECE Department. | Member |
| 9. Mr. R. Vireen Kumar, Assist. Professor, MBA Program | Member |

1. It is resolved to commence the routine classes for the registered students under SPDP from May 13, 2019. The SPDP may arrange coaching classes of two hours per day for three days in a week.
2. With a view to avoid dislocation of regular academic schedules, these classes may be held from 4.00 pm to 6.00 pm.
3. It is also resolved to guide the students and to maintain discipline in the class room while the session is in progress. For this purpose, a Monitoring Coordinator may also be arranged in each scheduled Sessions.
4. To ensure effective teaching and learning process, it is decided to group the students into two batches for the 2nd year and 4th year students respectively. The Coordinator of the Program is requested to organize the Schedules consistent with this policy.
5. It is resolved to arrange an Office Assistant to look after the office work like typing, maintenance of files, records and ensuring timely cooperation of the Coordinators in the Academic Departments of the college. Hence, it is recommended to appoint Office Assistants at an allowance of Rs.8000 per month..

SKILL AND PERSONALITY DEVELOPMENT PROGRAM CENTER
For SC/ST Students
(Sponsored by the AICTE, New Delhi)

May 10, 2019

ORDER

The All India Council for Technical Education, New Delhi has sanctioned 'Skill and Personality Development Program Center (SPDPC) for SC/ST Students of this Institution. The Center will commence the SPDP from May 2019. To help the effective functioning of the Center, the Program Evaluation Committee (PEC) is constituted with the following Members.

- | | |
|--|-----------|
| 1. Principal, JITS | Chairman |
| 2. Prof. P. Rangaiah, Director | Member |
| 3. Mr. P. Srinivas Rao, HOD, CSE | Member |
| 4. Mr. D. Rajini Kumar, HOD, EEE | Member |
| 5. Mr. Mohd Hameed Pasha ,HOD, ECE | Member |
| 6. Prof. M. Vani Manohar, Subject Expert | Member |
| 7. Mr. V. Madhu kumar, ECE | Member |
| 8. Mr. E. Ramesh, EEE | Member |
| 9. Prof. G. Krishna Murthy, Coordinator | Convenor. |

The members are requested to assist the SPDPC in performing the following functions:

1. To advise the SPDP Center in designing appropriate programs that help the participants to develop skills and personality.
2. To evaluate the programs periodically.
3. To monitor the conduct of the programs as and when necessary.
4. To identify the resource persons from inside and outside the Institution.

Copy to the Members for information.
Copy to the Office of the Joint Secretary, JITS.

Stages in Thinking and Types of Thinking by Prof M.Vani Manohar

SKILL DEVELOPMENT AND PERSONALITY DEVELOPMENT CENTER
JAYAMUKHI INSTITUTE OF TECHNOLOGICAL SCIENCES

(An Autonomous Institution)

Narsampet, Moqdumpuram – 506 332

Report of Stages in Thinking and Types of Thinking

A **Three day workshop** on “Stages in Thinking and Types of Thinking “ was organized by skill development and personality development center, JITS from 2nd to 4th December 2019 for B.Tech 2nd, 3rd and 4th year students at 4.00pm to 6.00pm. **Prof M.Vani Manohar** being the resource conducted Seminar on the first day. He explained the meaning and concept of ‘Thinking’. As long as the heart beat continues the process of ‘thinking’ will persist. In this program 63 students have attended and noted the points in their note book to much of their interest. In his talk “**Prof M.Vani Manohar**” has given a lot of basic information on Thinking beyond Limits – Need for it in Career Building , Stages in Thinking and Types of Thinking. In the second day of the workshop, he gave Exercises in Thinking beyond limits. He told that He impressed on the participants about the thinking as a ‘process of reasoning about something. According to him, a thinker is a person of rational judgment and intelligent. There are many types of thinking like; critical thinking, divergent thinking, creative, convergent thinking, analytical, abstract and positive. A person with positive thinking will emerge as a peak performer because he always immerse in doing something good even to his enemy. On the final day of the Workshop, Prof. Vanimanhoar conducted a game with some placards. Judging the nature of thinking is not easy, according to the resource person, till the results are obtained and analyzed. He tested the thinking process of a few participants by giving a brief sketch of an event and asked them to speak differently from one another. Ultimately, thinking beyond may mean, (a) thinking beyond self; (b) thinking beyond the box, (c) thinking beyond imagination, (d) thinking beyond ‘quotes’ and (f) thinking beyond interiors. The three day workshop was wound up with the Vote of Thanks by Prof. G. Krishna Murthy, Coordinator of the SPDP Center.
