JAYAMUKHI
Institute of Technological Sciences

strives to prepare the students to face future challenges courageously and to stand exemplary in the society with professional readiness. All the technology departments on one hand impart world class education with hands on training and provide full-fledged training to become industry fit and meet the economy need. The faculty helps students to scale up to achieve greater heights. A strong students' support system is evolved over the years such as constant counselling, digital library, training and placement cell, finishing school, English language lab and entrepreneurship development cell. SPDPC is one such support that Jayamukhi is extending to the students.

JITS has been enlightening all the professional students about the need to be responsive to the societal issues by molding their technical and social skills to the benefit of the community leading to high productivity, inclusivity and in achieving quality of life. In this direction, the Institution has been arranging expert lectures by Sri Yandamuri Veerendranath, Sri M.V. Pattabhiram, and Sri Gampa Nageswara Rao on Motivation and Personality development since past ten years. The present SPDP is a strategy of concentrating on the target group (SC/ST students) for attaining the set objectives.

Skill and Personality Development Program Center (SPDPC)

Is a sponsored program by the AICTE, New Delhi to support the SC/ST students of this Institute to become the responsible citizens and make them socially relevant and economically strong to compete with any other developed sections of the society. The Center helps them to imbibe the three imperatives viz., Skills, all-round development of Personality, effective communication and language proficiency. Students are provided a forum for group discussion, idea-sharing, writing, speaking and listening to acquire the imperatives.

Objectives of the SPDP Center:

Broadly the aim of the SPDPC is to scale up the professional and social skills of the students and to prepare them to be the responsible citizens of India. For this purpose the Center works for the target group by:

1. Organizing coaching classes continuously with the high end electronic and digital presentations.
2. Making the students to participate in the Workshops, Debates and Reading Sessions.
3. Motivating the students to organize group discussions and role playing.
4. Inviting experts to deliver lectures on Personality Development as frequently as possible to obtain extended public life.
5. Asking the students to participate in debating competitions, skit writing and Playing.
6. Making the students to watch TED lectures.

Public Speaking skills – Need for Public Skills. Workshop by Prof. V.V. Sharma

SKILL DEVELOPMENT AND PERSONALITY DEVELOPMENT CENTER
JAYAMUKHI INSTITUTE OF TECHNOLOGICAL SCIENCES
(An Autonomous Institution)
Narsampet, Moqdumpuram – 506 332
Report of Public Speaking skills – Need for Public Skills. Workshop.

A Three day workshop on "Public Speaking skills – Need for Public Speaking Skills"" was organized by Skill and personality development program center, JITS from 07th to 10th January 2020 for B.Tech 2nd ,3rd and 4th year students from 2.00pm to 4.00pm. The workshop was conducted by "**Prof. V.V. Sharma**",. In this program 64 students have attended and noted the points in their note book to much of thier interest. In his talk **Prof. V.V. Sharma"** has given a lot of basic information on Public Speaking skills, need for Public speaking Skills, and its significance in the process of public life. He explained that public speaking is one of the important soft skills. Public speaking requires communication skills, enthusiasm to share the knowledge, information and the ability to engage with the audience. He impressed upon the participants that public speaking is relevant to every person engaged in any occupation, avocation and in politics. In the second day of workshop, he explained the skills required for successful public speaking. He said that (i) Clear Articulation, (ii) Engaging Presentation skills, (iii) Assessing the need for the Audience, and (iv) composition skills. In the third day of the workshop he organized debating competition among the participants. After explaining the deficiencies he has exhorted that a successful speaker should have (i) controlling performance anxiety, (ii) the capacity to grab the attention of the audience, (iii) maintaining eye contact with the audience, (iv) modulating vocal tone, (v) organizing the information in a logical way, and (vi) rehearsing the presentation and revising rough spots. If the audience are highly informed people, use of power point slides is also required. Prof. Sharma also has given a list of desiderata that are important to improve public speaking skills. They are (i) practice the speech in front of a mirror, (ii) attend public speaking classes if available, (iii) practice in front of friends, family or colleagues (iv) record in a video form, the preparatory presentation and watch it later to correct the erratic situations. At the winding up time, he has been thanked by the Coordinator, SPDP Center of JITS. Vote of thanks was proposed by one the 4th year B. Tech student of the College.
