**Brief Report on  
BAN ON TOBACCO**

The use of tobacco result in threatening diseases, will also lead to Chronic Obstructive Pulmonary Disease (COPD), high blood pressure and premature heart attacks. Hence, people should be aware of the ills and evils of consuming tobacco. Hence, to create an awareness about the health hazards of the use of tobacco among the people a meeting of the students under the aegis of NSS Unit is held on **04.12.2019** . The Session was presided by **Prof. P. Rangaiah**, Director of the college, **Prof. M. Lokanadha Rao**, Principal of the College and **Prof. S. Vasudev Murthy**, Principal, Jayamukhi College of Pharmaceutical Science, being the Chief Guest. On this platform **Prof.P.Rangaiah**, Director warned that Tobacco is deadly in any form and threatens the lung health of everyone exposed to it. The campaign also served as a call to action, advocating for effective policies to reduce tobacco consumption and engaging stakeholders across multiple sectors in the fight for tobacco control.Students. **Prof. M. Lokanadha Rao** said that in underdeveloped countries like India a large sections of the population use tobacco in various forms and shapes for various reasons including bad companionship. He exhorted that the students must stay away from the use of tobacco and also see that the people in the community must be educated against the use of tobacco. **Prof. S. Vasudev Murthy**, said that the Indian law incorporates five important policies i.e., prohibition of smoking in pulic places, ban on tobacco advertising, promotion and sponsorship, ban on sale to and by minors and within 100 yards of educational institutions, display of pictorial health-warning labels, and content regulation of tobacco products. After the close of the Session, a **Public Rally** was taken by the students led by the Program Officer, Principal and the Chief Guest in the main streets of the town and around **100 students** participated in the rally.
