Student Support System:

The ongoing programs of strengthening the all-round development of the Students, the College envisages a well-drawn student support system consisting of : (a) Students' Counseling, (b) IBM Centre of Excellence, (c) Digital library, (d) Campus wide high speed 100 Mbp Wifi system, (e) IBM & Microsoft Training and Certification, (f) Sports and Games with well maintained playing grounds, (g) Finishing School, and (h) English Language Lab with Globorina Software. As a result of these facilities and the efforts of the Students and the Faculty the Institute is Accredited by the NBA and secured Autonomous College Status from the UGC. Aside the above, the College organizes various national level students fests such as ABHIGNATHA under IEEE, TECHNOJITS under ISTE, IQUIZ under CSI.

JAYAMUKHI
Institute of Technological Sciences

strives to prepare the students'to face future challenges courageously and to stand exemplary in the society with professional readiness. All the technology departments on one hand impart world class education with hands on training and provide full-fledged training to become industry fit and meet the economy need. The faculty helps students to scale up to achieve greater heights. A strong students' support system is evolved over the years such as constant counselling, digital library, training and placement cell, finishing school, English language lab and entrepreneurship development cell. SPDPC is one such support that Jayamukhi is extending to the students.

JITS has been enlightening all the professional students about the need to be responsive to the societal issues by molding their technical and social skills to the benefit of the community leading to high productivity, inclusivity and in achieving quality of life. In this direction, the Institution has been arranging expert lectures by Sri Yandamuri Veerendranath, Sri M.V. Pattabhiram, and Sri Gampa Nageswara Rao on Motivation and Personality development since past ten years. The present SPDP is a strategy of concentrating on the target group (SC/ST students) for attaining the set objectives.

Skill and Personality Development Program Center (SPDPC)

Is a sponsored program by the AICTE, New Delhi to support the SC/ST students of this Institute to become the responsible citizens and make them socially relevant and economically strong to compete with any other developed sections of the society. The Center helps them to imbibe the three imperatives viz., Skills, all-round development of Personality, effective communication and language proficiency. Students are provided a forum for group discussion, idea-sharing, writing, speaking and listening to acquire the imperatives.

Objectives of the SPDP Center:

Broadly the aim of the SPDPC is to scale up the professional and social skills of the students and to prepare them to be the responsible citizens of India. For this purpose the Center works for the target group by:

1. Organizing coaching classes continuously with the high end electronic and digital presentations.
2. Making the students to participate in the Workshops, Debates and Reading Sessions.
3. Motivating the students to organize group discussions and role playing.
4. Inviting experts to deliver lectures on Personality Development as frequently as possible to obtain extended public life.
5. Asking the students to participate in debating competitions, skit writing and Playing.
6. Making the students to watch TED lectures.

May 10, 2019

MINUTES OF THE MEETING OF THE STUDENTS' COORDINATION COMMITTEE
Held on May 10, 2019

Members Present:

1.	Prof. G. Krishna Murthy, Chief Coordinator, SDPD Program .	Chairman
2.	Mr. E. Ramesh, Assist. Professor, EEE Department.	Member
3.	Mr. G. Pandu Krishna, Assist. Professor, CSE Department.	Member
4.	Mr. G. Venkateswarlu, Assist Professor, Civil Engineering Department.	Member
5.	Mr. B. Ramesh, Assist. Professor, Civil Engineering Department.	Member
6.	Mr. G. Praveen Kumar, Assist. Professor, Mech. Department.	Member
7.	Mr. Venkanna, Assist. Professor, Mech. Department	Member
8.	Mr. V. Madhu Kumar, Assist. Professor, ECE Department.	Member
9.	Mr. R. Vireen Kumar, Assist. Professor, MBA Program	Member

1. It is resolved to commence the routine classes for the registered students under SPDP from May 13, 2019. The SPDP may arrange coaching classes of two hours per day for three days in a week.

2. With a view to avoid dislocation of regular academic schedules, these classes may be held from 4.00 pm to 6.00 pm.

3. It is also resolved to guide the students and to maintain discipline in the class room while the session is in progress. For this purpose, a Monitoring Coordinator may also be arranged in each scheduled Sessions.

4. To ensure effective teaching and learning process, it is decided to group the students into two batches for the 2nd year and 4th year students respectively. The Coordinator of the Program is requested to organize the Schedules consistent with this policy.

5. It is resolved to arrange an Office Assistant to look after the office work like typing, maintenance of files, records and ensuring timely cooperation of the Coordinators in the Academic Departments of the college. Hence, it is recommended to appoint Office Assistants at an allowance of Rs.8000 per month..

Computer Application Skills – Meaning and significance by G.Pandu Krishna

SKILL DEVELOPMENT AND PERSONALITY DEVELOPMENT CENTER
JAYAMUKHI INSTITUTE OF TECHNOLOGICAL SCIENCES
(An Autonomous Institution)
Narsampet, Moqdumpuram – 506 332
Report on Three Day Workshop on
Computer Application Skills – Meaning and significance.

      A Three day workshop on "Computer Application Skills – Meaning and significance"" was organized by Skill and Personality Development Center, JITS from 27   to 29   January 2020 for B.Tech 2nd ,3rd and 4th year students from 4.00pm to 6.0 pm. M**r. G.Pandu Krishna**",Asst.prof ,Dept Of CSE being the resource person explained that the use of computer systems is universal. He said that in modern society use of computer has become very common irrespective of the profession, vocation, occupation and size and ownership of the enterprise.   In this program 29 students have attended and noted the points in their note pad to much of their interest. In the first day of the workshop he talked about the hardware software and configurations for their effective use.   "Mr. G.Pandu Krishna" said that 'computer application skill means the ability and knowledge of application of computer and related technology. The computer skills help in the use of word processing, software development and application, access to the intenet, create presentations, data base and data analysis.   Application of computer system in Business, Banking, and Insurance, in Education, Marketing and Health care system is becoming a necessity. For useful application of computer system in routine activities one requires basic computer skills like – email marketing, content management system, website analytics, social media management, search engine optimization, content marketing etc. On the third day of the workshop he has engaged the students in the Computer Laboratory and guided them toprepare their Curriculum Vitea.   The three day workshop was closed by question and answer session followed by Vote of Thanks.
