Analysis of Stakeholders Feedback

Institution collects stake holder feedback every year for UG and PG programs. Feedbacks from Students, Faculty, Alumni, and Employer are considered for continuous improvements in curriculum and other academic aspects. Inputs collected from all the stake holders are analyzed and put forth in Department Advisory Committee (DAC). The reviewed and valid inputs regarding curriculum, course contents etc. are put forth in Board of Studies (BoS) for approval. After getting approval in BoS, the curriculum with the incorporation of recommended changes if any is sent to College Academic Council(CAC) for their final endorsement. The following Table describes the significance of stakeholders for the development of program.

Stake Holders	Relevance
Students	<p>Most important constituents in the program.</p> <ul style="list-style-type: none">• Course end survey is collected from students after their completion of the course to check their performance in attainment of course outcomes as well as inputs for enhancement of course content.• Graduate exit survey is conducted for all the final year students during their end exams to collect feedback regarding their program outcome attainments and inputs towards improvement in curriculum
Faculty	<p>Faculty plays vital role in the design of program curriculum that is relevant and in line with the latest technological development in the industry.</p> <ul style="list-style-type: none">• In addition to developing the curriculum, teachers help in executing the curriculum development findings.• Inputs from Faculty of concerned program collected from Teachers Feedback every year are considered to improve the curriculum.• Faculty being a part of BoS of the department extends their valuable suggestions from their vast experience towards curriculum enhancement
Alumni	<ul style="list-style-type: none">• Alumni are considered as the ambassadors to the outside world. They are in a position to evaluate the extent to which the programme is effective in achieving the desired objective. As an alumnus they share their experience and participate in curricular updates in view of emerging technologies and tools.• Alumni survey is conducted every year, through which suggestions are provided to design syllabus which makes the students industry read, and well prepared towards competitive examinations.
Employer / Industry	<ul style="list-style-type: none">• Employer / Industry feedback helps in enriching the program with industry relevant courses (Electives).• Employer / Industry feedback enables bridging the gap between program curriculum and industry requirements

The following decisions are taken.

1. It is resolved to approve the scheme of instructions for B.Tech I-Year I and II Semesters.
2. It is resolved to approve the syllabi for B.Tech I-Year I and II Semesters.
3. It is resolved to approve scheme of instruction such that the total number of credits for I-Year I-Semester-25 & II-Semester-23.
4. It is resolved to incorporate the changes in the following Subjects in B.Tech I Year II Semester: Data Structures through C++ (Sub. Code: AJ2506), Data Structures Through C++ Lab (Sub. Code: AJ2507), Object Oriented Programming and Data Structures (Sub. Code: AJ2508).
5. It is resolved to include both theory and lab subjects of English (Sub.Code:AJ1013 and AJ2014) in the II Semester from academic year 2016-2017, as recommended by BOS-BS&H.
6. It is resolved to offer Engineering Chemistry (Sub. Code: AJ2010) in I Semester from the Academic Year 2016-17, hence the Subject code is changed AJ1010. Further it is also resolved to offer Physical Sciences Lab (Sub. Code: AJ1011) in I Semester instead of Engineering Physics Lab (Sub. Code: AJ1009).
7. It is resolved to approve scheme of instructions, rules, regulations and syllabi of Computer Science and Engineering and Software Engineering M.Tech courses under R-15 CBCS.
8. It is resolved to forward the decisions taken under BOS meeting for further approval of College Academic Council [CAC].

The Chairman thanked the members for the advice and cooperation.

Minutes of the College Academic Council Meeting held on 17-09-2020.

Sri. T.V.R.N Reddy, Joint Secretary while welcoming the members appreciated their interest and cooperation in improving academic standards of the institution. Dr.M.Lokanadha Rao, Principal, gave a detailed PPT presentation about the progress of the Institution.

The following decisions were taken:

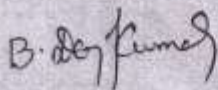

- Item.No.1.0: Resolved to approve the minutes of the meeting pertaining to the Scheme and syllabi of Computer Science and Engineering (**Artificial Intelligence and Machine Learning**)
- Item.No.2.0: Resolved to approve the mandatory courses **1. Artificial Intelligence (ECE/EEE/CIVIL/MECH)** and **2. Cyber Security for (CSE/ECE/EEE/CIVIL/MECH)** for B.Tech III Year I & II Semesters.
- Item.No.3.0: Resolved to approve the syllabi for two mandatory courses Artificial Intelligence for B.Tech (ECE/EEE/CIVIL/MECH) and Cyber Security for B.Tech(CSE/ECE/EEE/CIVIL/MECH) to be offered in the 3rd year and 1st and 2nd Semesters.

S.No	Name of the Course	Branch	Year- Semester
i.	Artificial Intelligence	EEE	III-I
		ECE,CIVIL,MECH	III-II
ii.	Cyber Security	ECE, CIVIL,MECH	III-I
		EEE, CSE	III-II

- Item.No.4.0: Resolved to approve the minutes of Result Processing Committee for the examinations held in November/December 2018, March/April 2019 and November/December 2019;
- Item.No.5.0: Resolved to approve the panel of examiners suggested by BOS of all the departments and BOS Chairman's are authorized to draft the evaluators for spot valuation.
- Item.No.6.0: Resolved to approve the new B.Tech programs in Computer Science Engineering (Cyber Security), Computer Science and Engineering (Internet of Things) and Computer Science and Engineering (Data Science) proposed to offer in the Academic Year 2021-22.
- Item.No.7.0: Resolved to promote the B.Tech students to the subsequent year irrespective of the required number of credits for the academic year 2020-21 as per the directions of AICTE/TSCHE/JNTUH.
