Brief Report
On
ENGINEERS' DAY CELEBRATION

Engineers' Day is celebrated on every 15th September to commemorate the birthday of one of the greatest engineers in India and Bharat Ratna recipient, **Sir Mokshagundam Srinivasa Shastry Vishveswarayya**, recognizing his great contribution in harnessing water resources in India. He had successfully designed and constructed several dams, bridges and revolutionized the irrigation system all over India.

Every Year, in our College, We Celebrate Engineer's Day in honor of Dr. M Visvesvarayya, a true gem of India and to identify the great contribution done by our diligent engineers. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students.

Prof.M.Lokanadha Rao, Principal, addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model and sharpen their skills to meet the global industrial demands. Prof. P.Rangaiah, Director, encouraged the students to broaden their perspective and enhance their skills.

On this occasion, Seminars on the topic "The role of an engineer and his responsibilities towards the society" were presented by the students.
