Brief Report on
MEDICAL CAMP AT DASARIPALLY VILLAGE

As a part of NSS activities, the students are organized to conduct or/and participate in the Medical Camps in the villages where there is no public health facilities. Free Medical Camp can be organized as a life saving program and also to trace out the people with chronic diseases so as to create awareness about the diseases and the available remedies. **Dasaripally** is a neighborhood village of JITS which has no organized public health service. Hence, the NSS Unit of the College organized a Free Medical Camp on **21-12-2019**. Prior to the visit to the said village, the volunteers have been explained about the objectives of the Camp by Professor S. Vasudeva Murthy, Principal of Jayamukhi College of Pharmaceutical Sciences. He explained that the purpose of the Camp could be screening of the health of the patients, and distribute medicine or to refer to the nearest Health Center for full check up. **Dr. Bharath Reddy, Physician in Narsampet and Member of Lions Club** extended his services free of cost. A Lady Doctor **Ms.Dr.Navatha**, has also participated in the camp. They examined 85 people in the said village and identified people with infectious diseases and gave them medicines. They had with the help of his NSS volunteers referred 12 residents with chronic diseases for immediate treatment. In this Camp, the Village Officers and the local leaders have also played active role in conducting the Medical Camp.
