**Brief Report on  
RULE OF LAW AND CRIMINAL JUSTICE SYSTEM**

The NSS Unit of Jayamukhi Institute of Technological Sciences (JITS) organized One day **Seminar on Rule of Law and Criminal Justice** on **March 7, 2020** for the benefit of the student community and also to the society in which they operate. No body, irrespective of their level of education cannot escape the law while living in a society consisting of different people because the dictum of '**ignorance of law is not excusable**'. The Seminar was attended by **200 students** including the volunteers. The purpose of the Seminar is to create awareness the students about the general rules of law like civil and criminal statutes. The Seminar was presided by **Prof. M. Lokanadha Rao**, Principal and attended by the Joint Secretary, Director and Faculty members of JITS. In his opening remarks, the Principal observed that as a citizen of India everybody must behave legally and any illegal act or of harmful activities are punishable as per the relevant law. The students have to know about this minimum rule otherwise they lose their career and harm the society without their knowledge. **Sri Maheshnath, the District Service Authority, and Civil Justice was the chief guest.** He observed that a large number of students drive the vehicles without license and also in drunken condition which is dangerous to human society. They must know the rule of law and the type of punishment they are subjected. The students were also advised by **Shri Saaketh Mithra, Civil Court Judge of Narsampet** to know the rule of Law and criminal punishment that they are subjected to the misconduct and illegal activities. **Shri TVRN Reddy**, Joint Secretary of the College suggested that the students must cultivate the habit of settling the problems peacefully and according to law, otherwise their lives are going to be disturbed. **Mr. S. Satish**, NSS Program Officer propped Vote of thanks.
